Dear Members and Devotees,

AALOKA VESAK 2562 : 4-DAY CELEBRATION

Starting from Sat 26 / Sun 27 / Mon 28 (eve) and Tues 29 May 2018 (Vesak Day)

Aaloka Buddhist Center (Singapore) invites you to join us together to remember this great meritorious event of Vesak 2562. This year, we will be carrying out our usual annual Vesak activities at our new place and encourage you to come forward to help us out or join in the participation.

We continue our annual Vesak commemoration visit to the senior residents home to offer lunch on 5 May 2018. If you like to participate with us at this event, please inform us in advance. Sponsorships for lunch are welcome and if you can come forward to entertain the residents with games, singing or music, please let us know.

Collection of **old/used spectacles is ongoing**. Collection starts on 1 May 2018 or drop by our center on Vesak week for blessings from our Bhante or to offer lights and flowers to the Buddha. Great Blessings during this auspicious period. Equally auspicious is the opportune time to view the Buddha's Relic on display on Vesak day only.

Your continuous support to help us maintain our new center greatly needed. We thank you for your kind generosity. A little effort to help pass this message to your contacts gratefully welcome.

The Vesak program attached. Please **DO** send in your order form early to help us ensure success.

Cheques to be made out to : **AALOKA BUDDHIST CENTER (SINGAPORE)**.

Please do not send cash through the mail.
